BENEFITS

LEGISLATIVE ADVOCACY

Help strengthen the influence of school psychology at the local and state levels. IASP works closely with our lobbyist and the legislature to improve the education of Indiana's children while representing your personal and professional interests.

PROFESSIONAL DEVELOPMENT

Attend our annual Fall and Spring Conferences and earn NASP approved hours at a discounted rate.

INDEPENDENT PRACTITIONER ENDORSEMENT

Take advantage of support resources for obtaining your Independent Practitioner Endorsement (IPE), including a 12-hour DSM course that is made available at the Fall Conference during even-numbered years.

JOB BANK

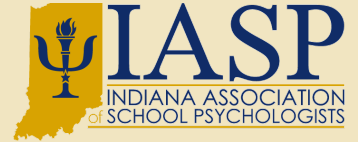

Use IASP's Job Bank to view current open positions across the state. IASP also hosts an internship clearinghouse to connect graduate students with internship positions.

GOVERNANCE

Attend board meetings which are always open to the general membership. Consider running for the board or serving on a committee.

Inspire. Empower. Connect.

MEMBERSHIP

BENEFITS

BUILD CONNECTIONS

Meet leaders in the profession through multiple in-person and virtual events and gain connections to other similarly aligned organizations.

AWARDS & RECOGNITION

Submit nominations for IASP's various awards and scholarships, including the IASP School Psychologist of the Year and graduate school and high school scholarship awards.

COLLABS & MESSAGE BOARDS

Attend one of IASP's Collaboration Corner LIVE events to talk with other school psychologists around the state about current issues. You'll also get access to our online message boards.

MEMBER UPDATES

As a member, you will receive email notifications on professional development opportunities, legislative updates on activity regarding the Indiana General Assembly, and policy and political updates from our lobbyist. IASP also shares position statements published to help support school psychologists with their practice.
