Coronavirus Aid, Relief, and Economic Security (CARES) Act
About The Paycheck Protection Program

SUMMARY: The CARES Act creates a Paycheck Protection Program for small employers, self-employed individuals, and “gig economy” workers, appropriating nearly $350 billion to mitigate challenges caused by the COVID-19 pandemic. The Program provides 8 weeks of cash-flow assistance through 100% federally guaranteed loans to small employers who maintain their payroll during this emergency. If the employer maintains payroll, the portion of the loans used for covered payroll costs, interest on mortgage obligations, rent, and utilities can be forgiven. This proposal is retroactive to February 15, 2020.

APPLYING: You can apply for the Paycheck Protection Program through any lending institution approved to participate in the program through the existing Small Business Administration (SBA) 7(a) lending program, and additional lenders approved by the Department of Treasury. You can call your bank or find SBA-approved lenders in your area through SBA’s online Lender Match tool. You can call your local Small Business Development Center or Women’s Business Center and they will provide free assistance.

QUALIFICATIONS: You are eligible for a loan if you are a small business that employs 500 employees or fewer, or if your business is in an industry that has an employee-based size standard through SBA that is higher than 500 employees. In addition, if you are a restaurant, hotel, or a business that falls within the North American Industry Classification System (NAICS) code 72, “Accommodation and Food Services,” and each of your locations has 500 employees or fewer, you are eligible. Tribal businesses, 501(c)(19) veteran organizations, and 501(c)(3) nonprofits, including religious organizations, will be eligible for the program. Nonprofit organizations are subject to SBA’s affiliation standards.

I AM AN INDEPENDENT CONTRACTOR OR GIG ECONOMY WORKER, AM I ELIGIBLE? Yes. Sole proprietors, independent contractors, gig economy workers, and the self-employed are eligible.

LOANS: The amount any small business is eligible to borrow is 250% of their average monthly payroll expenses, up to a total of $10 million. This amount is intended to cover 8 weeks of payroll expenses and any additional amounts for making payments towards debt obligations. This 8 week period may be applied to any time frame between February 15, 2020 and June 30, 2020. Seasonal business expenses will be measured using a 12-week period beginning February 15, 2019, or March 1, 2019, whichever the seasonal employer chooses.

WHEN IS THE LOAN FORGIVEN? The loan is forgiven at the end of the 8-week period after you take out the loan. Borrowers will work with lenders to verify covered expenses and proper amount of forgiveness.

WHAT IS THE COVERED PERIOD OF THE LOAN? The covered period during which expenses can be forgiven extends from February 15, 2020 to June 30, 2020. Borrowers can choose which eight (8) weeks they want to count towards the covered period, which can start as early as February 15, 2020.

1 H.R.748, the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Public Law No. 116-136) was approved unanimously by the Senate on March 25, 2020, then by the House of Representatives on March 27, 2020, and signed into law by President Trump on March 27, 2020.
HOW MUCH OF MY LOAN WILL BE FORGIVEN? The purpose of the Program is to help you retain your employees, at their current base pay. If you keep all of your employees, the entirety of the loan will be forgiven. If you still lay off employees, the forgiveness will be reduced by the percent decrease in the number of employees. If your total payroll expenses on workers making less than $100,000 annually decreases by more than 25%, loan forgiveness will be reduced by the same amount. If you have already laid off some employees, you can still be forgiven for the full amount of your payroll cost if you rehire your employees by June 30, 2020.

AM I RESPONSIBLE FOR INTEREST? No. If the full principal of the loan is forgiven, the borrower is not responsible for the interest accrued in the 8-week covered period. The remainder of the loan that is not forgiven will operate according to the loan terms agreed upon by you and the lender.

DOES THE PROGRAM COVER ANY COMPENSATION FOR THOSE MAKING OVER $100K? The CARES Act intends to cover payroll costs up to $100,000. For example, an employer would be able to use $100,000 of the $125,000 salary for the calculation of the loan amount and subsequent forgiveness.

WHAT ARE THE INTEREST RATE AND TERMS FOR THE LOAN AMOUNT THAT IS NOT FORGIVEN? The terms of the loan not forgiven may differ on a case-by-case basis. However, the maximum terms of the loan feature a 10-year term with interest capped at 4% and a 100% loan guarantee by the SBA. You will not have to pay any fees on the loan, and collateral requirements and personal guarantees are waived. Loan payments will be deferred for at least six months and up to one year starting at the origination of the loan.

WHEN IS THE APPLICATION DEADLINE FOR THE PAYCHECK PROTECTION PROGRAM? Applicants are eligible to apply for the loan until June 30th, 2020.

IS THERE A REVENUE LIMITATION? No.

I TOOK OUT A BRIDGE LOAN THROUGH MY STATE, AM I ELIGIBLE TO APPLY? Yes.

IF I HAVE APPLIED FOR, OR RECEIVED AN ECONOMIC INJURY DISASTER LOAN (EIDL) RELATED TO COVID19 BEFORE THE PROGRAM BECAME AVAILABLE, WILL I BE ABLE TO REFINANCE INTO A PROGRAM LOAN? Yes. If you received an EIDL related to COVID-19 between January 31, 2020 and the date at which the Paycheck Protection Program becomes available, you would be able to refinance the EIDL into the Program for loan forgiveness purposes. However, you may not take out an EIDL and a Program for the same purposes. Remaining portions of the EIDL, for purposes other than those laid out in loan forgiveness terms for a Program loan, would remain a loan. If you took advantage of an emergency EIDL grant award of up to $10,000, that amount would be subtracted from the amount forgiven under the Program.
